SCF Arizona Presents SCP Construction Sentinel Award

SCF Arizona presented Glendale-based SCP Construction Co., Sentinel Awards to recognize companies whose management and employees show a commitment to workplace safety.

SCP Construction, 5340 W. Luke Ave., received the award, Jan. 17, from SCF Arizona's Vice President of Communications & Public Affairs Rick DeGraw.

SCF, the state's largest provider of workers' compensation insurance, honored the SCP Construction's "strong and effective safety programs and training designed to keep its employees safe on the job."

SCP Construction works with contractors valley wide and specializes in concrete floors and foundations. The company has improved its safety record by more than 20 percent in recent years.

Arizona companies qualify for a Sentinel Award if they work with their employees to develop a culture of safety in their workplace, rank among SCF Arizona's Top 100 policyholders, have a positive working relationship with SCF, maintain a loss ratio under 40 percent for the policy year and record no fatalities during the policy year.
